## Common goals, shared success

### Free setups and no less than minimum fee

#### How to Leverage Promotional Products

Kick off the new year with items related to fitness, food/kitchen, wellness, drinkware, personal care, and cozy athletic wear. These thoughtfully chosen products are sure to help your customers or employees embrace new goals and opportunities.

#### Why it Matters?

By engaging in health and wellness, you can transform your overall well-being. Proper nutrition, exercise, and personal care go a long way towards boosting mental clarity, reducing stress levels, and building overall self-confidence - key steps towards helping you live a healthier and happier life.

**Now thru 2/28/2025**

Promotional sale includes setup charge and 1st color imprint (1 location). For any additional imprint color, run charges for decoration methods on specific items - may incur an additional fee and will be quoted on request. Less than minimum can go as low as half the listed MOQ
